

TELESCOPING ALUMINUM MOP HANDLE

Details Make the Difference in Performance

Saturix telescoping mop handles have subtle design enhancements that add up to big improvements in long-term performance. Male quick connect tabs reduce pinching and glove breakage while unique plastic end grooves provide a positive lock for faster application and steadier mopping.

Features and Benefits

- Telescopes from 39"–70" for different user heights and cleaning tasks
- Polished aluminum body—light but sturdy
- Quick-connects with Saturix frames
- Grooved insert for stability
- Easy to adjust handle height with ergonomic lever
- Seamless integration with Saturix cleaning carts

Cleanroom Level Recommendation*

Item	Size	Weight	Quantity
HH270	39"–70" (99 cm–178 cm)	1 lb (0.45 kg)	Item sold individually

* Cleanroom class recommendations are based on typical industry-wide applications and general cleanliness classifications. Please consult our experienced FG Clean Wipes sales representatives for specific cleanroom selections for critical and/or specialized applications based on a wider selection of criteria.
