

MICROFIBER WIPES

Improve the Quality of Paint Jobs

High Performance Polishing, Glazing, Waxing and Detailing

Unlike typical microfiber cloths that are expensive, require laundering, lose their microfiber properties over time, and can trap abrasive particles and residues that ruin paint jobs, our microfiber wipes are disposable and offer the same safe, high performance every time.

Features and Benefits

- Removes 99.9% of particles²
- High performance polishing, glazing and waxing
- Extra fine microfiber for more efficient auto painting and detailing
- Virtually lint free and exceptionally soft
- Smooth texture for extreme scratch resistance
- Lifts and traps oils, films, dirt and dust

Item	Size	Quantity
WD212	12" x 12" (30 cm x 30 cm)	150 wipes/bag • 18 bags/case
