

Tack Cloths

Improve the Quality of Paint Jobs

Cleaner Surfaces
for Improved Painting,
Bonding and More

With the perfect level of tackiness and optimized balance between softness and strength, Saturix tack cloths are designed to make an everyday shop tool more effective than before.

Features and Benefits

- Enhanced dust removal for improved paint job quality
- Combats fish eye, orange peel and surface prep defects
- Perfect amount of tackiness—free of adhesive residues
- Apertured for maximum dust and dirt removal
- Virtually lint free and soft but tear resistant
- Free of silicone and wax—perfect for water-based paints
