

CRITICAL CLEANING SOLUTIONS FOR PHARMACY COMPOUNDING

The Saturix Surface Cleaning System offers a comprehensive solution that will help any compounding pharmacy be more compliant with USP standards and ensure the clean and sterile preparation of drugs for the safety of patients and employees. It delivers meaningful benefits toward enhancing overall Quality Risk Management (QRM) through an unparalleled cleaning platform to support superior Contamination Control Strategies (CCS) for all surfaces.

SATURIX MOPPING SYSTEM

A patented system engineered to work flawlessly together or alone to reduce risk and waste and promote employee health and safety while improving operational efficiency.

Touch-free Mop Attachment and Disposal

Easy to operate and minimizes cross-contamination risks

99.9% Particulate Residue Removal down to .1 Micron in Size²

Advanced microfiber technology mechanically removes disinfectant residues and other harmful particulates from the surface

Enhanced Productivity and Employee Safety

Efficient batch mop saturation and minimized chemical emission

Compact Footprint

Easy to transport and store

1. Based on internal analysis of 5,000 ft² ISO 7 facility.
2. Based on third party lab testing.

SATURIX ICT+ ISOLATOR CLEANING TOOL

An innovative solution for systematic and hygienic cleaning of laminar airflow work benches, biosafety cabinets and other PECs (Primary Engineering Controls). It offers a higher level of safety and efficiency for pharmacy compounding.

Touch-Free Pad Application and Removal

Reducing cross contamination risk while increasing efficiency

Ergonomic, Easy-to-Use Hybrid Design

Maximizing coverage and reach

99.9% Particulate Residue Removal²

Providing critical contamination control performance

SATURIX PRE-SATURATED WIPES

Our family of presaturated offers convenience, consistency and cleanliness to help you reinforce USP standards.

Reduces Airborne VOC's

Provides Consistency in Application of IPA

Variety of Substrates for Different Critical Environments

Microfiber Wipes Proven to Remove 99.9% of Particulate Residue, Down to .1 Micron in Size

Saturix is a complete system for critical cleaning featuring innovative carts, mops and wipes backed by 100 years of cleaning experience. With focused product selection, it's easy to find exactly what you need right now.
